BEACH CLUB

Residence A-1

This unique beachfront residence at Naples Beach Club is designed with the graciousness of a spacious estate home, and is located only a few steps from the beach.

Light and views

The residence is filled with light and air: with up to 12-foot-high ceilings; rooms opening to outdoor entertaining spaces; west-, north- and east-facing views from sunrise to sunset—these are some of the features that make this residence exceptional.

Exceptional interiors

The home features five bedrooms, five full bathrooms and one half bath—all carefully detailed by Champalimaud Design. Kitchen appliances are by Wolf, Sub-Zero and Miele with custom cabinetry. A choice of two interior palettes is available: Beachwood, with clean lines and warm materials; or Seashell, an aesthetic rooted in tradition but with a nod to modern living. The primary suite features its own entry foyer, spa bathrooms and generous walk-in closets, and a private outdoor terrace facing the beach.

Private, direct access

The residence is a short stroll to the beach, and only steps to the spa, golf and amenities in Market Square. There are two private entries to the home: a direct elevator from the lobby with secure parking, and a separate south-side service entry.

Indoor-outdoor living

The home has private terraces on three sides. The primary bedroom suite and Great Room open to an expansive, west-facing terrace with outdoor dining.
